Intro letter

The Sub Div. Officer wishes, before restoring the suspended Shamugue Mannan-thayya, to have a Municipal Collection establishment on Rs 30 per mensem as follows:-

- 1 Mutsaddi on 12 Rs
- 1 Asst Mutsaddi on 6 Rs
- 2 peons @ 5 Rs each on 12 Rs
- + contingencies 30 Rs.

The arrears ^{still} remaining to be collected are roughly put at Rs 13,213-3-3 after deducting more than 5000 Rs already collected.

This establishment, being only 6 percent of the net normal income, maybe sanctioned.

ABSTRACT.

Appearing against the Prison
District Deputy Commissioner
order suspending the Petitioner.
The order is as follows:—
You are the Serinagar, Uman Shauk
You say that you would do the
duties of the village Shauk
alone but not that of the town
Shaukogue. There is no separate
shaukogue for the town. If you
are unwilling to do the town
duties, you should forego the
village duties also. It will not
do to have a separate Shauk
bogue for the town alone. The
Sub-Division Officer seems to
have

3
a man's full attention without affording him
~~any~~ time to look after other duties.

Adds that the difficulty of managing both
the duties would be evident from the fact
that about Rs 13,000 were left in arrears
when the Municipal ^{duty} was conducted
by a separate establishment.

Prays that on these grounds the Dy Commr's
order may be reversed and his hereditary
Pateli job restored to him.

have suspended you for your having persisted in refusing to do the town duties. Since a fresh pay is allowed for the town duty, you should carry on the work taking some of your own men to ^{help} ~~assist~~ you. We cannot allow you to choose the best portion of a bullock ~~and~~ reject the others. Therefore abide by the Sub-Division Officer's order soon."

Petitioner states that when the Seringapatam and Tanjore Municipalities were formed in 1870-1 he was appointed to look after the ~~town~~ ^{municipal} work in addition to his revenue duty; that 2 years thereafter, upon the Petr's complaint to Govt of the impossibility of carrying on both the works, the Municipal duties were severed from the Petr as per Mysore Dist. Dy. Supt's Order No 181, 8/23-1873 and an Overseeer was appointed to carry on the work with the assistance of 2 ~~munas~~ ^{munas} & 2 ~~peons~~ ^{peons}; that subsequently the Petr was ordered in Sank No $\frac{335}{12}$ of 1873, based upon Govt. Prgs No 5805, 8/23-10-72, to take up the Municipal duty as a village servant; that again upon his complaint to Govt of the difficulty of carrying on both the works a separate establishment was made to carry on Municipal work and the Petr ~~was~~ gave the charge to the persons appointed; that, that in spite of these former proceedings the Dy. Commr has passed the order against which the Petr appeals.

The grounds for his appeal are as follows:—

- (1) That the Dy. Commr's confirmation of the Sub. Dy. Supt's order suspending the Petr, against former proceedings, from his hereditary Shanboji is illegal.
- (2) That in many other District ~~and Sub-Divisions~~ ^{Headquarters} and Sank Municipalities which are smaller than Seringapatam separate munas are appointed for the municipality and the Seringapatam Municipality is larger than ~~of~~ ^{that of} any other Municipality in Mysore excepting those of Mysore & Bangalore.
- (3) That the revenue Shanboji being a large one it would engage

SIR.

With reference to your official memo:
:andum No. 1203 of the 24th December 1895 for:
:warding for report the petitions of Hanuman:
:tiak, Shanbhag of Seringapatam, I beg to
state as follows:-

2. The complaint of the petitioner is that he
is required to do the duties of Shanbhag not
only of the village of Seringapatam, but also
of the town of Seringapatam.

3. There is only one Shanbhag for both the
village of Seringapatam and the town of
Seringapatam. In fact they are both one
village. When the part of it called the town
of Seringapatam was made into a munic:
:ipality, it became necessary to keep
separate accounts for the mohaturfa

⑬

revenue collected in it. That work being more tedious than that connected with the village, the Shambhog preferred to keep the latter and complained of the heaviness of the former. Thereupon a separate paid agency was employed for the former, but experience of its working showed that it was not advisable to substitute an irresponsible paid agency for an hereditary arrangement having the advantage of permanent interest and continuous responsibility. Therefore the Sub-Division Officer of French Rocks called upon the Shambhog to do his duties himself employing under him upon his own responsibility a Gumasta if he liked out of the allowance payable to him for the collection of the mohaturfa revenue of the town, but he declined to have anything to do with the work of the town and preferred to keep only the better part of his duties. Thereupon the Sub-Division Officer suspended him and on appeal I saw no reason to alter his order. These are

The Deputy-Commissioner's report—does not—clearly state whether the Town Municipal revenue is included in the Potigi—calculation of this Shanthoy. If so, the grant of an additional money

remuneration is unintelligible.

If not included, it is not right to call upon the

Shanthos to do duties which at the time of the Potigi

Settlement he was not expected to do. This point

must be clearly explained.

The Dy C^y is also requested to report ~~information is also wanted~~ ^{to report}

~~as to~~ how the Potigi due to the Shanthos would be affected if the Town Revenue is also taken into calculation, and what is the Municipal remuneration now offered to him.

The latter course if adopted, will affect the Polige by Rs. 60.

GOVERNMENT OF MYSORE

Deputy Commissioners' Office

Dated Mysore 7th October 1896

To,

The Secretary to the Government
of Mysore

Revenue and General Department

Sir,

With reference to Government order no $\frac{3095}{21075}$ of the 2nd September 1896 stating that the Shambhog of the Srirangapatna village is not bound to collect the Mohaturfa tax of that town even on payment thereof, and directing that the order suspending him for refusal to do that work should be cancelled and he be reinstated, I beg to submit herewith for orders a copy of the French Rocks Sub Division Officer's letter No 422 of the 5th October 1896. It will be seen from it that the Sub Division Officer thinks that, if the order passed were given effect to at once, it will upset the arrangements made by him for the collection of the heavy arrears of the Mohaturfa tax of the town of Srirangapatnam. I do not think that his apprehensions are unfounded. It

was ruled in Government Order No $\frac{5354-63}{27.157-92}$

To

The Deputy Commissioner
Of the Mysore District

Sir,

I have the honor to acknowledge the receipt
of your Memo N^o 117 dated 22nd September 1896 on
copy of Government Proceedings N^o 3095 of 21st ^{R. 1090}
idem, ^{re} restoration of Hammamthia to his post of
Shamboque of the Kura Village in the Seringapatam
Taluk, and in reply beg to report as follows.

2.

The
Municipality was introduced into the towns of
Seringapatam and Gangam in 1870-71, and the
Mooltharffa taxes thereof were being collected by
a special Establishment till the end of June 1892.

3.

In January 1893 the above Estab-
lishment was abolished under the orders of
Government

Government as conveyed in their Proceedings

No 5954-63 dated 31st October 1892, and the
L.F. 157-92
Mohatarffa collections were entrusted to the
Village Establishment with a promise of giving
them 2 per cent of commission on the collections.

4. The Village Establishment de-
clined to ^{do} the work in spite of warnings, and the
arrears having swelled, a representation was
made to Government to the entertainment of
2 Mutsaddies at Rs 10 each for six months.
The temporary Establishment was sanctioned
in February 1894, Vide Government Proceedings
No 14215-6 dated 23rd February 1894. It did little
L.F. 42-93
or no work. The arrears swelled enormously
high and the time up to which the temporary
establishment was to be kept on having expired,
the Shambogue and Petail were called upon to
do the work, employing on their own responsibility,
a Gumastah, if they liked, out of the allowance
payable to them for the collection of Mohatarffa
revenue. The Shambogue at first consented to
this arrangement and asked for an advance
to begin with the work. It was granted. He
changed his mind afterwards and refused to have
anything to do with the Mohatarffa work, although
it formed part of his legitimate duty, Vide para 140
of

of the 31st October 1892 that it was the Shambhoo's
 work to collect the Mohaturfa taxes and yet
 he neglected it. If, however, the Government
 are now pleased to relieve him of that duty,
 I beg that sanction may be kindly accorded
 to the interment of the additional es-
 tablishment, proposed by the Sub Division
 Officer, in para 11 of his letter, for the collection
 of the Mohaturfa tax. In my humble opinion
 even this will not be a satisfactory arrange-
 ment. It was tried and given up. In almost
 all the Municipal towns the Shambhoo do
 the Mohaturfa work also, and the employ-
 ment of this permanent hereditary agency
 for the ^{work of} collection is, to my humble thinking,
 far preferable to paid establishment. If
 only the Government be pleased to order
 that the Shambhoo of Serungapatam should,
 as elsewhere, do the Mohaturfa work also,
 as directed in the said order of 1892, all
 obstruacy will disappear and work glide on
 easily. -

I have the honor to be

of the Government Proceedings quoted in para 3 supra.

5. The Shamloque's conduct in retracting his statement was blameworthy, and he was accordingly suspended from rank and pay, and a substitute was appointed for both the town and village. I would also invite your kind attention to the circumstances reported in this office letter No 299 of 10th September 1895 and also to your reply No 124 dated 13th September 1895 thereto.—

6. — The Mohatarffa accounts are in a state of utter confusion. They have to be prepared from the year Pramady (1879-80). The acting incumbent who is an intelligent and experienced Accountant has prepared the accounts of about 15 years, and there are only a few years' accounts to be made up, when only, the individual balances can be ascertained. The collection work also has progressed fairly, so much as Rs 5083-7-6 having been received. The cost of paper used for Kathes and Khirdies, and other accounts would come to more than Rs 50.

7. To disturb the present arrangement therefore, at this stage without making adequate provision for Mohatarffa collection, means allowing things to fall back into confusion.

8. The Revenue, however, of both the Municipality of Seringapatam and the village of Hura is above the limit of a single Shamloque's charge.

9. I beg to submit that before I can reinstate Hammamthia, it is my wish that a provision be made for the performance of the Mohatarffa

Mohatarffa work.

10

The arrears up to the end of September 1896 amount to Rs 13,213-3-3. as shown in the subjoined statement, inclusive of the current year's Jamabandy which has yet to be ascertained. The Amildar says that he cannot vouch for the correctness of the figure until the accounts that are in the course of preparation are finally closed. But it is certain that the figure will be more but not less.
